Advocate Clerk welfare Fund	INR 20	Applies if at least one advocate is in the case					

Process Fees

Upfront Payment

- During e-filing, the complainant can select any or all of the addresses for the accused and choose to make an upfront payment for notice, summons, and warrant.
- When the judge triggers the notice or summons workflow for an accused for whom upfront payment has been done, one notice or summons is generated for each of the selected addresses. No pending task is created for payment.
